

LORIET AND TABC AT WTA MPS CHAMPIONSHIPS

April 2009 - Loriet teamed up with Tennis Against Breast Cancer (TABC) for its 5th consecutive year in the WTA Championship event held in the Jacksonville area. Last year called the WTA Bausch & Lomb Championships in Amelia Island, the event has now moved to a new and exciting location and has become the WTA MPS Championships at the Sawgrass Country Club in beautiful Ponte Vedra Beach, Florida. TABC held several fundraising events, and offered plenty for all of its friends and supporters including fashion shows, raffles, player party, and more. Loriet provided clothing and prizes for supporters and participants.
